Table of Contents

Table of Contents	i
List of Figures	ii
I. Master Plan	1
II. Preliminary Alternates	4
A. Introduction	4
B. No-Build Alternate	4
1. Mainline	4
2. Interchanges	5
C. General Purpose Lanes Alternate	10
1. Mainline	10
2. General Purpose Lane Interchange Options	10
D. Express Toll Lanes Alternate.....	24
1. Mainline	24
2. Express Toll Lane Interchange Options.....	24
E. Additional Interchange Options	46
1. Additional General Purpose Lane Interchange Options	46
2. Additional Express Toll Lane Interchange Options.....	46
III. Alternates Descriptions.....	52
A. Alternatives Recommended for Detailed Study	52
1. No-Build Alternate.....	52
2. General Purpose Lanes Alternate.....	52
3. Express Toll Lanes Alternate.....	69
B. Alternatives Considered and Dropped from Detailed Study	83
1. General Purpose Lanes Alternate.....	83
2. Express Toll Lanes Alternate.....	102

List of Figures

Map 1 - Section 200 Study Area.....2

Figure 1 - No-Build Alternate - Typical Roadway Section.....4

Figure 2 - I-95/MD 152 Interchange Diamond.....6

Figure 3 - I-95/MD 24 Interchange Partial Cloverleaf: Triple Loop.....7

Figure 4 - I-95/MD 543 Interchange: Diamond.....8

Figure 5 - I-95/MD 22 Interchange Partial Cloverleaf: Double Loop.....9

Figure 6 - Preliminary General Purpose Lanes Alternate - Typical Roadway Section...10

Figure 7 - I-95/MD 152 Interchange Option 1: Diamond.....12

Figure 8 - I-95/MD 152 Interchange Option 2: Tight Diamond.....13

Figure 9 - I-95/MD 152 Interchange Option 3: Single Point Urban Diamond.....14

Figure 10 - I-95/MD 152 Interchange Option 4: Partial Cloverleaf – Single Loop.....15

Figure 11 - I-95/MD 152 Interchange Option 5: Partial Cloverleaf – Double Loop.....16

Figure 12 - I-95/MD 24 Interchange Option 1: Mod. to structure and ramps.....17

Figure 13 - I-95/MD 543 Interchange Option 1: Diamond.....18

Figure 14 - I-95/MD 543 Interchange Option 2: Tight Diamond.....19

Figure 15 - I-95/MD 543 Interchange Option 3: Single Point Urban Diamond.....20

Figure 16 - I-95/MD 543 Interchange Option 4: Partial Cloverleaf – Single Loop.....21

Figure 17 - I-95/MD 543 Interchange Option 5: Partial Cloverleaf – Triple Loop
with CD Roads.....22

Figure 18 - I-95/MD 22 Interchange Option 1: Partial Cloverleaf – Double Loop
with Modifications to CD roads.....23

Figure 19 - Preliminary Express Toll Lane Alternate - Typical Roadway Section.....24

Figure 20 - I-95/MD 152 Interchange Option 1A: Diamond with ETL Median
Access Ramps.....27

Figure 21 - I-95/MD 152 Interchange Option 1B: Diamond with ETL Flyover
Access Ramps.....28

Figure 22 - I-95/MD 152 Interchange Option 2: Tight Diamond with ETL
Flyover Access Ramps.....29

Figure 23 - I-95/MD 152 Interchange Option 3: Single Point Urban Diamond
with ETL Flyover Access Ramps.....30

Figure 24 - I-95/MD 152 Interchange Option 4A: Partial Cloverleaf – Single
Loop with ETL Median Access Ramps.....31

Figure 25 - I-95/MD 152 Interchange Option 4B: Partial Cloverleaf – Single
Loop with ETL Flyover Access Ramps.....32

Figure 26 - I-95/MD 152 Interchange Option 5A: Partial Cloverleaf – Double
Loop with ETL Median Access Ramps.....33

Figure 27 - I-95/MD 152 Interchange Option 5B: Partial Cloverleaf – Double
Loop with ETL Flyover Access Ramps.....34

Figure 28 - I-95/MD 24 Interchange Option 1: Partial Cloverleaf – Double
Loop with ETL Flyover Access Ramps.....35

Figure 29 - I-95/MD 543 Interchange Option 1A: Diamond with ETL Median
Access Ramps.....36

Figure 30 - I-95/MD 543 Interchange Option 1B: Diamond with ETL Flyover
Access Ramps.....37

Figure 31 - I-95/MD 543 Interchange Option 2: Tight Diamond with ETL
Flyover Access Ramps.....38

Figure 32 - I-95/MD 543 Interchange Option 3: Single Point Urban Diamond
with ETL Flyover Access Ramps.....39

Figure 33 - I-95/MD 543 Interchange Option 4A: Partial Cloverleaf – Single
Loop with ETL Median Access Ramps.....40

Figure 34 - I-95/MD 543 Interchange Option 4B: Partial Cloverleaf – Single
Loop with ETL Flyover Access Ramps.....41

Figure 35 - I-95/MD 543 Interchange Option 5A: Partial Cloverleaf – Triple
Loop with ETL Median Access Ramps.....42

Figure 36 - I-95/MD 543 Interchange Option 5B: Partial Cloverleaf –
Triple Loop with ETL Flyover Access Ramps.....43

Figure 37 - I-95/MD 543 Interchange Option 6A: Partial Cloverleaf – Double
 Loop with ETL Median Access Ramps.....44

Figure 38 - I-95/MD 543 Interchange Option 6B: Partial Cloverleaf – Double
 Loop with ETL Flyover Access Ramps.....45

Figure 39 - I-95/MD 24 Interchange Option 2: MD 24/MD 924 Flyover Ramp.....47

Figure 40 - I-95/MD 543 Interchange Option 6: Partial Cloverleaf – Double Loop.....48

Figure 41 - I-95/MD 543 Interchange Option 7: Partial Cloverleaf – Single Loop.....49

Figure 42 - I-95/MD 24 Interchange Option 2: MD 24/MD 924 Flyover Ramp
 with ETL Median Access Ramps.....50

Figure 43 - I-95/MD 543 Interchange Option 7: Partial Cloverleaf – Single
 Loop with ETL Median Access Ramps.....51

Figure 44 - Recommended General Purpose Lanes Alternate.....53

Figure 45 - I-95/MD 152 Interchange Option 1: Diamond.....56

Figure 46 - I-95/MD 152 Interchange Option 4: Partial Cloverleaf – Single Loop.....58

Figure 47 - I-95/MD 24 Interchange Option 2: Flyover for MD 24/MD 924.....61

Figure 48 - I-95/MD 543 Interchange Option 1: Diamond.....63

Figure 49 - I-95/MD 543 Interchange Option 7: Partial Cloverleaf – Single Loop.....66

Figure 50 - I-95/MD 22 Interchange Option 1: Partial Cloverleaf – Double
 Loop with Modifications to CD roads.....68

Figure 51 – Recommended Express Toll Lane Alternate.....69

Figure 52 - I-95/MD 152 Interchange Option 1A: Diamond with ETL Median
 Access Ramps.....72

Figure 53 - I-95/MD 152 Interchange Option 4A: Partial Cloverleaf – Single
 Loop with ETL Median Access Ramps.....75

Figure 54 - I-95/MD 24 Interchange Option 2: MD 24/MD 924 Flyover Ramp
 with ETL Median Access Ramps.....78

Figure 55 - I-95/MD 543 Interchange Option 7: Partial Cloverleaf – Single
 Loop with ETL Median Access Ramps.....81

Figure 56 - I-95/MD 152 Interchange Option 2: Tight Diamond.....85

Figure 57 - I-95/MD 152 Interchange Option 3: Single Point Urban Diamond.....87

Figure 58 - I-95/MD 152 Interchange Option 5: Partial Cloverleaf - Double Loop.....89

Figure 59 - I-95/MD 24 Interchange Option 1: Partial Cloverleaf – Double Loop.....91

Figure 60 - I-95/MD 543 Interchange Option 2: Tight Diamond.....93

Figure 61 - I-95/MD 543 Interchange Option 3: Single Point Urban Diamond.....95

Figure 62 - I-95/MD 543 Interchange Option 4: Partial Cloverleaf – Single Loop.....97

Figure 63 - I-95/MD 543 Interchange Option 5: Partial Cloverleaf - Triple Loop.....99

Figure 64 - I-95/MD 543 Interchange Option 6: Partial Cloverleaf – Double Loop....101

Figure 65 - I-95/MD 152 Interchange Option 1B: Diamond with ETL Flyover
 Access Ramps.....104

Figure 66 - I-95/MD 152 Interchange Option 2: Tight Diamond with ETL
 Flyover Access Ramps.....106

Figure 67 - I-95/MD 152 Interchange Option 3: Single Point Urban Diamond
 with ETL Flyover Access Ramps.....108

Figure 68 - I-95/MD 152 Interchange Option 4B: Partial Cloverleaf – Single
 Loop with ETL Flyover Access Ramps.....110

Figure 69 - I-95/MD 152 Interchange Option 5A: Partial Cloverleaf – Double
 Loop with ETL Median Access Ramps.....112

Figure 70 - I-95/MD 152 Interchange Option 5B: Double Loop with ETL
 Flyover Access Ramps.....114

Figure 71 - I-95/MD24 Interchange Option 1: Double Loop with ETL Flyover
 Access Ramps.....116

Figure 72 - I-95/MD 543 Interchange Option 1A: Diamond with ETL Median
 Access Ramps.....118

Figure 73 - I-95/MD 543 Interchange Option 1B: Diamond with ETL Flyover
 Access Ramps.....120

Figure 74 - I-95/MD 543 Interchange Option 2: Tight Diamond with ETL
 Flyover Access Ramps.....122

Figure 75 - I-95/MD 543 Interchange Option 3: Single Point Urban Diamond
with ETL Flyover Access Ramps.....124

Figure 76 - I-95/MD 543 Interchange Option 4A: Partial Cloverleaf – Single
Loop with ETL Median Access Ramps.....126

Figure 77 - I-95/MD 543 Interchange Option 4B: Partial Cloverleaf – Single
Loop with ETL Median Access Ramps.....128

Figure 78 - I-95/MD 543 Interchange Option 5A: Partial Cloverleaf – Triple
Loop with ETL Median Access Ramps.....130

Figure 79 - I-95/MD 543 Interchange Option 5B: Partial Cloverleaf - Triple
Loop with ETL Flyover Access Ramps.....132

Figure 80 - I-95/MD 543 Interchange Option 6A: Partial Cloverleaf – Double
Loop with ETL Median Access Ramps.....134

Figure 81 - I-95/MD 543 Interchange Option 6B: Partial Cloverleaf – Double
Loop with ETL Flyover Access Ramps.....136
