# APPROVAL – CONTRACT AWARD

# • <u>HB-3001-0000 – Cleaning and Painting and Miscellaneous Structural Repairs of the</u> <u>US 40 Bridge over the Susquehanna River (Hatem Bridge)</u>

Mr. Jeffrey Davis requested contingent approval from the MDTA Board to execute Contract No. HB-3001-0000 – Cleaning and Painting and Miscellaneous Structural Repairs of the US 40 Bridge over the Susquehanna River (Hatem Bridge) with Blastech Enterprises, Inc. in the amount of \$56,861,520.00.

Mr. Davis explained that the work to be performed under this Contract is located on the Thomas J. Hatem Memorial Bridge, US Route 40, over the Susquehanna River. The scope of work includes replacement of the protective coating system on the structural steel members and performing miscellaneous structural steel repairs on the bridge.

Upon motion by Member Mario J. Gangemi and seconded by Member W. Lee Gaines, Jr., the Members unanimously gave contingent approval to execute Contract No. HB-3001-0000 – Cleaning and Painting and Miscellaneous Structural Repairs of the US 40 Bridge over the Susquehanna River (Hatem Bridge).

OPEN SESSION NOVEMBER 29, 2023 PAGE 3 OF 9

#### **UPDATE – PROCURMENT REPORT ON OPEN CONTRACTS**

Mr. Jeffrey Davis presented the MDTA Board with a verbal report on how many contracts are currently open with the MDTA excluding state credit card purchases. There are currently 204 total contracts totaling \$2,732,347,048.99.

#### <u>APPROVAL – CANTON RAILROAD</u>

Ms. Deborah Sharpless requested approval from the Maryland Transportation Authority (MDTA) Board of the proposed Canton Development Corporation, Inc. (Canton) Board of Directors and designation of the Chief Financial Officer, or designee, as proxy to attend the Canton Annual Stockholders Meeting on December 13, 2023 to vote to approve the election of the Canton Board of Directors.

Ms. Sharpless explained that the MDTA is the sole stockholder of Canton and the day-to-day operations of Canton are managed by Mr. Paul Barnes, the President and CEO, with the oversight of a Board of Directors. Per the Corporate By-Laws, the stockholders are to gather annually and elect the members of the Board of Directors.

She further explained that Mr. Barnes has provided MDTA with proper notice of the upcoming Annual Meeting of stockholders to be held on December 13, 2023. Per the By-Laws, the only matter on which the stockholders have authority to vote is the election of the members to Canton's Board of Directors. Additionally, the By-Laws of Canton permit the stockholders to be represented by a proxy.

Ms. Sharpless explained that the MDTA recommends the appointment of Charley C. Sung and Thomas E. Huesman. MDTA Board Members Cox, von Paris, and Canton Director Kaufman strongly endorse these appointments. Information regarding their qualifications were shared in the Board materials. The MDTA also recommends the reappointment of J. Robert Huber, Sr. Member Cox, Canton Director Kaufman, and Canton CEO Barnes strongly endorse the reappointment. Lastly, the MDTA recommends Director Kaufman assume the responsibility of Chairman.

Upon motion by Member Cynthia D. Penny-Ardinger and seconded by Member Dontae Carroll, the Members unanimously approved the Canton Railroad Board of Directors and the designation of the Chief Financial Officer as proxy to attend Canton's Annual Stockholder Meeting on December 13, 2023 to vote.

#### **UPDATE – TRAFFIC AND REVENUE FORECAST UPDATE**

Ms. Deborah Sharpless briefed the MDTA Board on the annual update to the Traffic and Revenue (T&R) forecasts for all facilities.

# OPEN SESSION NOVEMBER 29, 2023 PAGE 4 OF 9

Ms. Sharpless explained that each fall, an update to the ten-year traffic and revenue forecast is prepared by independent consultants. The MDTA selected CDM Smith through a competitive process to provide the T&R forecast. The forecast is built on historical data from the MDTA's facilities and national, regional, and State socioeconomic data, such as population, employment, unemployment, real income per capita, real gross domestic product, inflation, and fuel prices. The forecast also accounts for, among other things, anticipated construction projects, video toll collection and enforcement, and ongoing T&R growth trends following COVID-19.

Ms. Sharpless then provided an update on the traffic T&R forecast for the legacy facilities, Intercounty Connector (ICC), and the I-95 Express Toll Lanes (ETL). She explained that the current T&R forecast (FY 2023-2029) increases by \$354 million, or 7%, from November 2022. The \$354 million increase in revenue is largely driven by a \$320 million increase in legacy facility revenue and a \$26 million increase in toll administrative revenue. Also, the Intercounty Connector and I-95 Express Toll Lanes revenue increases by \$7 million, or 1%, throughout the forecast period.

# <u>APPROVAL – FISCAL YEAR 2025 PRELIMINARY OPERATING BUDGET</u>

Mr. Jeffrey Brown requested MDTA Board approval of the Preliminary Fiscal Year (FY) 2025 Operating Budget.

Mr. Brown explained that the proposed FY 2025 Preliminary Operating Budget of \$421.4 million, represents a \$21.3 million, or 5.3%, increase versus the FY 2024 Final Budget. Overall, the key drivers of the increase are mandated personnel expenses, E-*ZPass*<sup>®</sup> service center costs, engineering costs, and insurance premiums.

The FY 2025 operating budget reflects a \$9.4 million increase in mandatory spending, a \$14.8 million increase in discretionary spending, and a \$2.9 million reduction in discretionary spending. Mandated changes increased the budget by \$9.4 million mostly due to: (1) a 5.0% COLA for Police; (2) Maryland State Police increases due to personnel and an overhead rate increase totaling \$2.3 million; (3) a one-time step increase for all sworn and civilian employees totaling \$1.7 million; (4) Civilian COLA of 2% increases the budget by \$1.6 million; (5) Employee & Law Enforcement Officers Pension System retirement costs account for \$0.8 million; (6) Overtime increases due to vacancies increases by \$0.5 million; (7) Social Security increases to \$0.4 million primarily due to rate changes; and (8) other (reclasses, other fringe, accrued leave, etc.) decrease by \$0.5 million.

Upon motion by Member Jeffrey S. Rosen and seconded by Member Cynthia D. Penny-Ardinger, the Fiscal Year 2025 Preliminary Operating Budget was unanimously approved.

# OPEN SESSION NOVEMBER 29, 2023 PAGE 5 OF 9

# <u>APPROVAL – FINAL FISCAL YEAR 2024 – 2029 CONSOLIDATED</u> <u>TRANSPORTATION PROGRAM (CTP)</u>

Ms. Jennifer Stump requested MDTA Board approval for the Final Fiscal Year (FY) 2024-2029 Consolidated Transportation Program (CTP). She explained that the six-year FY 2024-2029 budget in the proposed CTP is \$3.1 billion.

The proposed CTP reflects a net increase in the six-year FY 2024-2029 budget of \$393.1 million. The net FY 2024-2029 increase is the result of the following:

- Increase of \$780 thousand for the Nice/Middleton Bridge.
- Increase of \$4.9 million for the I-95 Express Toll Lanes (ETL) Northern Extension.
- Increase of \$177.9 million for all projects except Nice/Middleton Bridge, I-95 ETL Northern Extension, and reserves.
- Increase of \$209.5 million in the Allocated and Unallocated Reserves.

The FY 2023 expenditures were \$451.7 million vs. \$484.8 million in the Draft FY 2024-2029 CTP (Attachment #1 - Line 6). FY 2023 underspending was \$33.1 million and has been rolled over into the Final FY 2024-2029 CTP.

Upon motion by Member Dontae Carroll and seconded by Member William H. Cox, Jr., the Final Fiscal Year 2024 – 2029 Consolidated Transportation Program was unanimously approved.

# APPROVAL – DEBT POLICY

Mr. Allen Garman requested MDTA Board approval of the amended Debt Policy to upwardly revise the \$350 million Unrestricted Cash target to \$400 million.

For historical perspective, Mr. Garman explained that prior to 2009, the MDTA's liquidity target was set to equal annual toll revenues. With projected revenue increases associated with new facilities (ICC/ETL), traffic, and toll rates, it was recognized that revenues would rise sharply, from less than \$300 million in fiscal 2009 to more than \$600 million in fiscal 2014, and necessitate unnecessarily high cash reserves to remain in compliance with the internal policy.

A revised policy was adopted in 2009 based on the rating agencies' preferred metric that sized the unrestricted cash position to the relatively lower Operating Budget rather than Toll Revenues. The Debt Policy unrestricted cash target of \$350 million has been adequate in intervening years to meet rating agencies' liquidity standards.

# OPEN SESSION NOVEMBER 29, 2023 PAGE 6 OF 9

Mr. Garman further explained that management, through consultation with credit rating agencies and external Municipal Advisors, recommends an increase in the unrestricted cash reserve to support prudent liquidity and meet Toll Sector ratings methodologies that require unrestricted cash to approximate the annual operating budget. This metric is termed the Days Cash on Hand ratio and is a critical credit strength measure, along with the Debt Service Coverage ratio, in maintaining credit ratings in the double-A ratings category and access to the capital markets at the lowest possible financing rates.

Unrestricted cash is adequate to meet the Days Cash on Hand metric for the ratings category in the current fiscal year but will need to rise during the six-year capital planning period to maintain relative size with the operating budget.

An increased cash reserve will have minimal short-term impact on debt service coverage, debt limit, and funds available for capital spending. In the long-term, the financing savings as a higher rated borrower will result in improved debt service coverage and lower debt outstanding.

Upon motion by Member Jeffrey S. Rosen and seconded by Member Dontae Carroll the MDTA Debt Policy was unanimously approved.

# <u>APPROVAL – FISCAL YEAR (FY) 2024 – 2029 FINANCIAL FORECAST</u>

Mr. Allen Garman requested MDTA Board approval of the Fiscal Year (FY) 2024-2029 Financial Forecast.

Mr. Garman explained that through FY 2028, the MDTA remains in compliance with its financial goals and legal standards. However, based on the current forecast estimates, beginning in FY 2029, a systemwide toll increase will be necessary to maintain 2.0 times debt service coverage throughout the remainder of the FY 2024-2029 forecast period. Tolls were last increased in FY 2014 followed by a reduction of tolls in FY 2016. The actual timing of a toll increase will depend on many factors.

Upon motion by Member Mario J. Gangemi and seconded by Member John F. von Paris, the Fiscal Year 2024-2029 Financial Forecast was unanimously approved.

# <u>UPDATE – BI-ANNUAL REVIEW OF REVENUE SUFFICIENCY</u>

Mr. Allen Garman presented to the MDTA Board the Bi-Annual Review of Revenue Sufficiency update. The most recent financial forecast shows that through FY 2028, the MDTA's current toll rates, fees, and discounts provide enough revenue in the immediate near-term to meet forecasted spending as well as legal and policy requirements.

# <u>UPDATE – INDEPENDENT AUDITORS' REPORT ON THE FISCAL YEAR 2023</u> <u>FINANCIAL STATEMENTS</u>

Ms. Deb Sharpless reported to the MDTA Board the Independent Auditors' Report on the Fiscal Year (FY) 2023 Financial Statements that CliftonLarsonAllen, LLP, MDTA's independent auditor, completed. For the FY 2023 financial statements audit period, an unmodified opinion was issued by CliftonLarsonAllen, LLP. The two uncorrected misstatements for pensions and accrued interest were immaterial to the MDTA's overall financial statements. The passed journal entries were recorded in FY 2024.

# <u>UPDATE – FISCAL YEAR 2023 INDEPENDENT AUDITORS' SERVICE</u> ORGANIZATION CONTROL (SOC) 1 AND SOC 2 REPORTS

Ms. Deborah Sharpless presented an overview of the results of the Fiscal Year 2023 Service Organization Control (SOC) 1 and SOC 2 Reports for the Maryland *E-ZPass* System. The audits were conducted by independent auditor SB & Company, LLC.

Ms. Sharpless explained the FY 2023 SOC 1 Type 2 audit review included 11 Control Objectives described and asserted by TransCore and 5 Control Objectives described and asserted by Kapsch. The FY 2023 SOC 2 Type 2 audit of TransCore was designed to ensure that the service organization's people, infrastructure, software, data-handling, and procedures are sufficient to handle and protect customer data and information.

She further explained that for the FY 2023 audit period, unmodified opinions were issued for the SOC 1 Type 2 and SOC 2 Type 2 audits. With one exception, all of the findings noted were addressed. The remaining finding is expected to be addressed by the end of the calendar year.

# **UPDATE – BRIDGES AND TUNNELS PROPERTY INSURANCE COVERAGE**

Ms. Deborah Sharpless updated the MDTA Board on the selected Property and Business Interruption insurance for 2024. Although insurance costs are a component of the annual Operating Budget approved by the Board, a more detailed update was warranted due to the materially rising premium costs. Ms. Sharpless explained decisions on deductibles as a function of risks, loss history, and breakeven analysis.

Ms. Sharpless explained the following key points to the MDTA Board.

1. Practical insurance coverage with reasonable terms is prudent and required by Section 6.06 of the Trust Agreement.

# Section 6.06. Insurance.

The Authority covenants that it will maintain a practical insurance program, with such reasonable terms, conditions, provisions, and costs that the Authority in its sole discretion determines will afford adequate insurance protection. The Authority shall provide insurance against loss caused by damage to or destruction of all or any part of any of the Transportation Facilities Projects; use and occupancy insurance covering loss of revenues...

OPEN SESSION NOVEMBER 29, 2023 PAGE 8 OF 9

- 2. Industrywide policy premiums have risen materially due to inflation, catastrophe risk, and increasing property claims from weather events.
- 3. Property and Business Interruption Insurance is obtained annually in a competitive process through the State Treasurer's Office.
- 4. Combined Property and Business Interruption insurance quotes are provided based on replacement cost and maximum foreseeable loss estimates.
- 5. Despite operating histories for some of the tolling assets of more than 75 years, the MDTA has not experienced catastrophic property damage or loss of revenue that warranted insurance claims against the purchased policies, although the agency routinely pursues insurance claims against external parties that cause less severe damage.
- 6. Given the large differences in insurance premiums for varying deductibles, breakeven periods were quantitatively analyzed and the policy was selected based on prudent reasonableness considerations.

# <u>UPDATE – HUMAN RESOURCES COMMITTEE</u>

Member W. Lee Gaines, Jr. presented an update on the Human Resources Committee meeting that took place on November 7, 2023. The Human Resources Committee Members were given updates on the Diversity, Equity, and Inclusion Program; Recruitment and Examinations Update on actions taken and progress made to lower the vacancy rate; the Leadership Investment for Tomorrow (LIFT) Program recap; and the Career Development Program activity for the current fiscal year.

# **UPDATE – EXECUTIVE DIRECTOR'S REPORT**

Mr. Percy Dangerfield gave the Executive Director's Report. Mr. Dangerfield began by introducing himself, giving some of his background, and thanking everyone at the MDTA for everything they do to keep our Agency moving forward.

Mr. Dangerfield announced that the Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Design-Build project was honored by the Design-Build Institute of America. The project was awarded Project of Year, Infrastructure Award of Excellence, and the Best in Design Excellence by DBIA – Mid-Atlantic Region. And at the national level, the project won the DBIA Merit Award. He thanked the many employees (including Jim Harkness, Heather Lowe, John Wedemeyer, Jeff Davis, Dave Dikes, Ben Gilmore, Jim Davies, Brian Wolfe, and Bill Randow) for their roles in making the new safer bridge a reality.

Mr. Dangerfield acknowledged the hard work of those who helped to put together the two Open Houses for the public to learn more about the 695 Repairs and Subgrade Rehabilitation on Sparrows Point Project.

He also introduced Mr. Jerome Watson, MDTA's New Director of Customer Experience to the Board and gave a brief background of Mr. Watson. He also acknowledged Member Dontae Carroll and Member Mario Gangemi for their participation in the Leadership Investment for Tomorrow (LIFT) program. And for Member Carroll's participation in the Division of Administration's Employee Retreat.

OPEN SESSION NOVEMBER 29, 2023 PAGE 9 OF 9

Mr. Dangerfield concluded his remarks by presenting the MDTA Employee of the 3<sup>rd</sup> Quarter Award to our Point Breeze Maintenance Chief, Mr. Daryl Keys. Mr. Keys was nominated by the Executive Office staff for helping with Board set-up, stepping in to help with Hot Dog Day, and always be ready and willing to help.

# **VOTE TO ADJOURN MEETING**

There being no further business, upon motion by Member William H. Cox, Jr. and seconded by Member Samuel D. Snead, the Members unanimously voted to adjourn the meeting at 10:45 a.m.

The next MDTA Board Meeting will be held on Thursday, December 21, 2023 at 9:00 a.m. at MDTA, 2310 Broening Highway, Baltimore MD and will be livestreamed on the MDTA Board webpage.

TO:	MDTA Board
FROM:	Deputy Director of Finance Allen W. Garman
SUBJECT:	MDTA Board Resolution No. 23-02, Toll Revenue Bonds Refinancing
DATE:	December 21, 2023

# PURPOSE OF MEMORANDUM

Request the MDTA Board's approval of Resolution No. 23-02 to authorize the issuance of toll revenue bonds to refinance the Series 2009B and 2010B Build America Bonds for economic savings and reduced risk.

#### SUMMARY

# **Key Refinancing Goals**

- 1. Interest Cost Savings
  - a. Net Present Value cash flow savings of combined initial refinancing and subsequent refunding.
- 2. Risk reduction associated with sequestration and uncertain federal subsidy payments.
  - a. The fixed rate nature of the coupons has been unexpectedly variable as a function of less than promised federal subsidies.
  - b. Risk of future subsidy cuts.

The Resolution No. 23-02 authorizes refunding bonds to refinance the Series 2009B and 2010B taxable Build America Bonds for economic savings.

The market dependent refinancing could occur as soon as February 2024 and will be sized to account for the call premium, refinancing bond premium, and costs of issuance, including funding a debt service reserve.

The \$747 million of Series 2009B and 2010B taxable Build America Bonds (BABs) were issued with a make-whole call provision that makes economic refinancings unlikely, but the current abnormal market environment has created a unique opportunity for debt restructuring savings. Of the original BABs issued, \$721 million remains outstanding with maturities extending to

2043. Coupons range from 5.16% to 5.89%. The IRS subsidy payments are designed to cover 35% of the coupons, so the net coupons should range between 3.35% to 3.83%. However, the federal budget sequestrations have reduced the federal subsidies and increased net interest costs and risks as outlined below.

# Sequestration and Subsidy Cuts Quantified, Federal Budget/Legislation Risks

Inability to pass federal budgets and future sequestration<sup>1</sup> increases net interest cost and creates additional risks.

# Make-Whole Call, Extraordinary Redemption Provision, Refinancing Savings

The term Make-Whole Call is from the investor's perspective, not the issuer's. This type of call is generally not economic to exercise for the issuer and is designed to protect the investor from reinvestment risk in a falling rate environment.

The Extraordinary Redemption Provision was legally triggered by the federal cuts to the 35% subsidy starting in 2013. The Make-Whole Call Price<sup>2</sup> is calculated from prevailing treasury rates plus 100 basis points, so the call price unfavorably rises when interest rates fall. In a rising rate environment, the call price may not fall below par and interest rates in the tax-exempt municipal market are normally correlated and moving unfavorably higher.

While both falling and rising rate environments generally do not provide favorable economics for make-whole call refinancings, there is an unusual *Goldilocks* relationship between Tax-Exempt Municipal rates and Treasury rates that creates the current opportunity.

Larger than normal yield differentials between Municipals and Treasuries creates the opportunity.

<sup>&</sup>lt;sup>1</sup> Sequestration – automatic federal spending cuts.

 $<sup>^{2}</sup>$  Make-Whole Call Price = present value of future principal and interest payments, discounted at the Treasury Rate plus 100 basis points.

The current yield of the 10-year tax-exempt Municipal yield is near the lowest ratio relative to 10-year Treasury yield in more than twenty years.

Extremely abnormal market is favorable for make-whole call refunding economics.

Continued weakness in Municipal supply may support the refunding economics in coming months. That is, supress muni yields relative to treasuries.

WHEREAS, the Series 2009 Bonds, the Series 2010 Bonds, Series 2012 Bonds, the Series 2017 Bonds, the Series 2019 Bonds, the Series 2020 Bonds, the Series 2021 Bonds, the 2022 TIFIA Bond, and the Series 2022 Bonds currently outstanding (the "Outstanding Prior Bonds") were issued for the purpose of financing and refinancing the design, construction and equipping of Transportation Facilities Projects (as defined in the Master Trust Agreement) or any Improvements (as defined in the Master Trust Agreement); and

WHEREAS, Section 2.04 of the Master Trust Agreement provides that the MDTA may from time to time issue Additional Bonds (as defined in the Master Trust Agreement) in accordance with the terms and conditions set forth in the Master Trust Agreement for the purpose, among others, of (i) providing funds for refunding all or a portion of the bonds then outstanding of any or all series, whether or not such bonds are then subject to redemption, including providing for the payment of any redemption premium due or to become due thereon, interest to accrue to the selected redemption date or maturity date, any serial maturities to become due prior to the selected redemption or maturity date and any expenses in connection with such refunding; and

WHEREAS, pursuant to the terms of Section 11.01 of the Master Trust Agreement, the MDTA desires to enter into a supplemental trust agreement supplementing the Master Trust Agreement to provide for the issuance of Additional Bonds (the "2024 Bonds," as defined herein) to be secured by the Master Trust Agreement and a supplemental trust agreement equally and ratably with any portion of the Outstanding Prior Bonds that may remain outstanding after issuance of the 2024 Bonds; and

**WHEREAS**, the MDTA desires to authorize the sale and issuance of the 2024 Bonds for the purpose of refunding all or a portion of the Outstanding Prior Bonds or all or a portion of any principal maturities thereof (collectively, the "**Refunded Bonds**") provided that certain conditions set forth in this Resolution are met.

# Now, THEREFORE, BE IT RESOLVED BY THE MARYLAND TRANSPORTATION AUTHORITY, as follows:

**Section 1.** MDTA hereby authorizes the issuance of its Special Obligation Revenue Bonds, Series 2024 (the "**2024 Bonds**"), in one or more series as the bond issue may be further designated by the Executive Director of the MDTA (the "**Executive Director**"), in an aggregate principal amount not to exceed Seven Hundred Seventy Million Dollars (\$770,000,000) for the purpose of (i) refunding and redeeming the Refunded Bonds, provided that the refunding results in at least One Million (\$1,000,000) of economic savings in the form of an aggregate Net Present Value reduction in debt service or projected NPV cash flow savings when incorporating the gained par call option values that may be realized in subsequent refinancings, (ii) optionally depositing funds into a debt service reserve fund or for the purchase of a Reserve Subaccount Insurance Policy (defined in the Master Trust Agreement), and (iii) paying the costs related to the issuance of the 2024 Bonds.

**Section 2.** The 2024 Bonds shall be issuable as fully registered bonds without coupons in denominations of \$5,000 or any integral multiple thereof, and sold in one or more series. The 2024 Bonds are special obligations of the MDTA payable, as to principal and interest, solely from

the revenues and funds pledged thereto under the Master Trust Agreement, as amended and supplemented, and are not and shall not be deemed (i) to be general obligations of the MDTA, (ii) to constitute obligations of the Department of Transportation of Maryland, or (iii) to constitute a debt or a pledge of the faith and credit or the taxing power of the State of Maryland or any political subdivision thereof.

# Section 3. Bond Sale.

(a) The MDTA hereby authorizes its Executive Director to sell the 2024 Bonds in one or more sales by either competitive bidding or private negotiation (including but not limited to a direct placement with a financial institution) as determined to by the Executive Director, with the advice of the Chief Financial Officer of the MDTA (the "Chief Financial Officer"), its bond counsel, its financial advisors and, as appropriate, other officers and staff of the MDTA, to be the most advantageous for the MDTA, provided that such sales must occur no later than December 31, 2024, unless a later sale date is approved by a future resolution of the MDTA.

(b) The Executive Director is authorized to determine, with the advice of the Chief Financial Officer, its bond counsel, its financial advisors and, as appropriate, other officers and staff of the MDTA, the rate or rates of interest to be borne by the 2024 Bonds or the method of determining the rates (such rates of all or a portion of the 2024 Bonds may be fixed or variable), if all or a portion of the 2024 Bonds will be sold with taxable or tax-exempt interest, the dates of principal and interest payments and final maturity of the 2024 Bonds, provided that the date of final maturity of the 2024 Bonds shall not exceed the final maturity of the Refunded Bonds.

(c) If the Executive Director determines to sell all or a portion of the 2024 Bonds by the solicitation of competitive bids, the MDTA hereby authorizes the Executive Director, with the assistance of the Chief Financial Officer, its bond counsel, its financial advisors and, as appropriate, other officers and staff of the MDTA, (1) to determine the means for the submission of competitive bids, including but not limited to electronic bids via such service provider as the Executive Director deems appropriate, (2) to determine the terms and conditions for such sale, including but not limited to, the conditions for acceptance of bids and the criteria for the selection of a winning bidder, subject to the limitations set forth in this Resolution, (3) to prepare a notice of sale setting forth the terms and conditions of such sale (the "Notice of Sale"), and (4) to advertise such sale, including but not limited to publication of the Notice of Sale or a summary thereof by any electronic medium, financial journal or such other manner as the Executive Director shall deem appropriate, at least ten days before the date set for the receipt of bids.

(d) If the Executive Director determines to negotiate the terms of the sale of all or a portion of the 2024 Bonds, the MDTA hereby authorizes the Executive Director, with the assistance of the Chief Financial Officer, its bond counsel, its financial advisors and, as appropriate, other officers and staff of the MDTA, (1) to solicit and accept proposals for the sale of the 2024 Bonds on a private, negotiated basis, and (2) to negotiate an agreement for the purchase of the 2024 Bonds (a "**Bond Purchase Agreement**"), in accordance with the limitations set forth in this Resolution.

#### **RESOLUTION 23-02**

(e) The Executive Director and the Chief Financial Officer shall each provide a report of the results of the any sale of the 2024 Bonds at the first meeting of the MDTA Board occurring after the 2024 Bonds sale.

**Section 4.** The Executive Director is hereby authorized to engage, as appropriate, the services of a trustee, a registrar, a paying agent, an escrow agent, a verification agent, an underwriter, a feasibility consultant, engineers, accountants, printers, and such other service providers as the Executive Director deems appropriate from time to time with respect to the 2024 Bonds and the Refunded Bonds.

Section 5. The MDTA hereby authorizes the Executive Director, Chief Financial Officer and other staff of the MDTA, with the assistance of its bond counsel and its financial advisors, to prepare a preliminary official statement, a final official statement, a private placement memorandum or any other form of offering document (each referred to herein as, an "Official Statement") for the sale of the 2024 Bonds and to distribute each Official Statement to the entities that they shall deem appropriate.

**Section 6.** Subject to the terms set forth in this Resolution, the MDTA hereby authorizes its Executive Director, with the assistance of other officers of the MDTA, counsel to the MDTA, its bond counsel, financial advisors, and staff, to prepare (i) one or more supplements to the Master Trust Agreement (each, a "**Supplemental Trust Agreement**"), (ii) one or more bond certificates for the 2024 Bonds (each, a "**Bond Certificate**"), (iii) an escrow deposit agreement or an escrow letter (the "**Escrow Deposit Agreement**"), if required, (iv) one or more continuing disclosure agreements (each, a "**Continuing Disclosure Agreement**") to assist the underwriters of the 2024 Bonds in complying with the requirements of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, and (v) a municipal bond debt service reserve insurance policy (a "Reserve Fund Policy") as the same may be amended from time to time.

**Section 7.** The Chairman of the MDTA (the "**Chairman**") and the Executive Director are hereby authorized to execute and deliver on behalf of the MDTA each Bond Certificate by their manual or facsimile signatures. The Executive Director is hereby authorized to cause an original or facsimile of the official seal of the MDTA to be imprinted on each Bond Certificate.

Section 8. The MDTA hereby authorizes the Chairman and the Executive Director, or either of them, to execute and deliver on behalf of the MDTA, as appropriate, an Official Statement, a Supplemental Trust Agreement, a Bond Purchase Agreement, an Escrow Deposit Agreement, a Continuing Disclosure Agreement, a Reserve Fund Policy, and such other documents and agreements deemed appropriate by the Chairman or the Executive Director (collectively, together with the Bond Certificates, the "Bond Documents"). The execution and delivery by them of the Bond Documents shall be conclusive evidence of their final approval.

**Section 9.** The MDTA hereby covenants that it will take, or refrain from taking, any and all actions necessary to comply with the provisions of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "**Code**"), applicable to the 2024 Bonds in order to preserve the status of the interest on the 2024 Bonds as excluded from gross income for

federal income tax purposes. Without limiting the generality of the covenant set forth in the preceding sentence, (a) the MDTA will not use or permit the use of any of the proceeds of the 2024 Bonds or any of the funds of the MDTA in such manner as would cause the interest on the 2024 Bonds to be included in gross income for federal income tax purposes, (b) the MDTA will regulate the investment of the proceeds of the 2024 Bonds so as not to cause any of the 2024 Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code and the Income Tax Regulations thereunder, (c) the MDTA will, if and to the extent necessary make periodic determinations of the rebate amount and timely pay any rebate amount, or installment thereof, to the United States of America, (d) the MDTA will prepare and timely file Internal Revenue Service Form 8038-G, Information Return for Tax-Exempt Governmental Obligations, and (e) the Executive Director and Chief Financial Officer are hereby authorized and directed to prepare or cause to be prepared and to execute and deliver any certificate or other document which may be required in order to assure compliance with the applicable provisions of Section 103 and Sections 141 through 150 of the Code, and the Income Tax Regulations thereunder.

**Section 10.** The Chairman and the Executive Director are hereby authorized to specify, prescribe, determine, provide for or approve, all within the limitations of this Resolution and the Act, all other matters, details, forms, documents and procedures pertaining to the sale(s), security, issuance, delivery and payment of or for the 2024 Bonds, including (without limitation) the execution, acknowledgment, sealing and delivery of Bond Documents by the Chairman, Executive Director or any other duly qualified employee, agent or officer of the MDTA as are or may be necessary or appropriate to consummate the transactions contemplated by this Resolution in accordance with the Act and this Resolution.

Section 11. The MDTA hereby authorizes its Executive Director and all other proper officers of the MDTA to create, supplement, amend, execute, and deliver documents, notices and agreements related to the Refunded Bonds and to take such actions or cause to be taken such actions as shall be necessary, proper, and convenient for carrying out the purposes of this Resolution, including expending funds and incurring costs.

Section 12. This Resolution shall be effective immediately upon its adoption.

# **MEMORANDUM**

TO:	MDTA Board
FROM:	Director of Treasury & Debt Allen W. Garman
SUBJECT:	Investment Strategy/Benchmarks and Qualified Institutions
DATE:	December 21, 2023

# **PURPOSE OF MEMORANDUM**

To complete the required quarterly review of the MDTA's investment strategy and benchmarks for the three-month period ended September 30, 2023. This item was discussed in greater detail at the December 7 Finance Committee meeting and the Committee Members support a continuation of the current investment strategies for all accounts and adding a firm to the authorized dealers list.

# **KEY POINTS**

- For the trailing twelve-month period ended September 30, investments conformed to Investment Policy limitations.
- The longer duration strategies employed in certain reserves generate higher return volatility with expected higher average annual returns over multiyear periods.
- Portfolio structuring by account adhered to board approved strategy and should remain • consistent, despite short-term return volatility associated with the rising interest rate environment.
- No changes in strategy or benchmarks are recommended. ٠

# **INVESTMENT STRATEGY**

The Trust Agreement and Investment Policy prescribe a Matched Funding investment strategy for specific purpose accounts including Operating, Debt Service, and Capital/Construction.

Longer term strategies are permitted by the Trust Agreement for certain reserves that do not have cash flow needs. The Investment Policy's investment objectives include longer-term total return considerations for reserves. Given that the unencumbered cash balance will be held long-term, a long-term approach is prudent and supported by the Finance Committee.

Investment Strategy/Benchmarks and Qualified Institutions Page Two

The agency employs either a Matched Funding or Total Return Duration Targeted approach for certain categories of accounts.

- Of the \$912 million portfolio at the end of September, \$562 million of Match Funded accounts are invested in short-term securities with maturities of less than one year that precede or coincide with projected outflows. (Capital, Operating, Debt Service)
- The remaining \$350 million is managed for Total Return, representing long-term unrestricted reserves held in the General and M&O Reserve accounts.
  - Unrestricted reserves are managed for Total Return, with consideration of the volatility/return tradeoff associated with longer-term structures.
  - Longer duration portfolios benefit from higher average annual returns over multiyear periods and exhibit greater return volatility relative to shorter-term maturity structures.
  - Duration Targeted portfolios maintain a consistent structure and management does not attempt to time market rate changes.

The General account is benchmarked to a composite index of 1-5-year bullet agency indices. Investment maturities are generally staggered from three-months to five-years, with an effective duration target of approximately 3.0.

The smaller M&O Reserve, representing approximately 5% of assets under management, is benchmarked to a composite of 1-13 year Treasury Strip indices that approximates effective duration of a laddered portfolio of 6-month to 15-year securities. The 7.5 year average maturity structure has an associated effective duration of approximately 7.0.

The General account strategy has not changed in many years and the smaller M&O Reserve's recommended strategy has been consistent since 2020.

# **DEALER APPROVED LIST**

The MDTA's investment policy generally requires a competitive bid/offer process for bond transactions with dealers included in the Qualified Institutions list. Dealers are prescreened for required SEC registration, experience, and minimum net capital. Within the Operating Policy, the MDTA Board reserves authority for approving additions to the broker/dealer list.

Broker/dealers are periodically added to the Qualified Institutions list to ensure adequate access to primary and secondary markets for investment securities. Firms may be periodically disqualified due to poor service in the form of uncompetitive of bids/offers.

Following the standard Request for Qualifications screening, the Investment Committee recommends the addition of Academy Securities to the Qualified Institutions list.

# **RECOMMENDATION**

To approve a continuation of the investment strategies and benchmarks for the current quarter, as well as the additional firm to the approved dealers list.

### **MEMORANDUM**

TO:	MDTA Board
FROM:	Director of Budget Jeffrey Brown
SUBJECT: DATE:	Fiscal Year (FY) 2024 Operating Budget vs. Actual Spending Review December 21, 2023

#### **PURPOSE**

The purpose of the memorandum is to report on the 1<sup>st</sup> quarter FY 2024 spending compared to the FY 2024 Final Operating Budget.

#### **KEY TAKEAWAYS**

Key points regarding actual fiscal year spending relative to the FY 2024 Final Operating Budget:

- As of September 30, 2023, 15% of the budget was spent compared to a target of 23%.
- All Objects are at or below the targeted spending level. •
- The primary underspending drivers include personnel vacancies and the seasonality of • expenses.

#### SUMMARY

Budget analysis threshold: More than \$500,000 budgeted with variances greater than +/- 5% of the targeted spending level.

- Salaries & Wages/Technical & Special Fees (Object 01 & 02) are at targeted spending • levels with a 20% spend rate when compared to the projected spend rate of 23%.
- Communications (Object 03) is below budget with a 7% spend rate. •
- State Paid Telecommunications (0305) is 0% of the budget and accounts for most of the • underspending in Object 03. This item contains the annual State Radio System budget expense of \$1.6 million, which has not been billed.
- Travel (Object 4) was below budget at 16% spend rate. •

FY 2024 Operating Budget vs. Actual Spending Review Page Two

- Fuel and Utilities (Object 06) is on budget with an 18% spend rate.
- Motor vehicle operations and maintenance (Object 07) is on budget with a 23% spend rate.
  - Purchased vehicles (Object 0701) was above budget with a 44% spend rate due to the timing of when orders are received.
- Contractual Services (Object 08) is below budget with a 7% spend rate. Significant spending variances include:
  - Advertising (0801) is at a -2% spend rate due to seasonality and year end accruals.
  - $\circ$  Engineers (0807) is below budget at a 0.4% spend rate. Year-end capital adjustments drive the 1<sup>st</sup> quarter performance.
  - Equipment Repairs & Maintenance (0809) is below budget with a 1% spend rate due to the seasonality of activity.
  - Building/Road Repairs & Maintenance (0812) is below budget at a 7% spend rate due to the seasonality of activity.
  - Education & Training (0819) is below budget with a 9% spend rate due to the seasonality of activity.
  - Management Studies (0821) is below budget with a 1% spend rate. The timing of management study activities will determine when funds are spent.
  - IT related costs (Objects 0841 to 0869) is below budget at a 13% spend rate due to the seasonality of the IT expenses.
  - *E-ZPass*<sup>®</sup> Service Center Costs (0873) is under budget with a 2% spend rate. The year end accrual and invoicing delay drive lower recognized cost in the 1<sup>st</sup> quarter.
  - Other contractual (0899) is below budget at a 5% spend rate due to the seasonality of activity and the timing of MSP charges.
- Supplies & Materials (Object 09) is below budget at a 15% spend rate.
  - Roadway Maintenance Materials (0905) is at an 8% spend rate due to seasonality.
  - Salt (0906) is at a 0% spend rate due the seasonality of usage.
- Replacement Equipment (Object 10) is below budget at a 12% spend rate.
  - Replacement Maintenance & Building Equipment (1013) is below budget with a 2% spend rate due to seasonality.
  - Replacement Computer Equipment (1033) is below budget with a 1% spend rate due to seasonality.
- Additional Equipment (Object 11) is below budget at a 7% spend rate.
  - Other Additional Equipment (1199) is below budget at an 11% spend rate due to seasonality.

FY 2024 Operating Budget vs. Actual Spending Review Page Three

- Fixed Costs (Object 13) is under budget at a 1% spend rate.
  - Insurance (1309) is under budget at 0% spend rate, as the invoice for our insurance premium has not yet been submitted. This object is expected to be above budget due to increased premiums.

### **MEMORANDUM**

TO:	MDTA Board
FROM:	Assistant Capital Program Manager Jennifer Stump
SUBJECT: DATE:	First Quarter Review of Fiscal Year (FY) 2024 Capital Budget vs. Actual Spending December 21, 2023

#### PURPOSE OF MEMORANDUM

The purpose of the memorandum is to update the MDTA Board on the status of actual Fiscal Year (FY) 2024 capital spending against the FY 2024 capital budget in the FY 2024-2029 Draft Consolidated Transportation Program (CTP). This information was also presented to the MDTA Finance Committee on December 7, 2023.

#### **SUMMARY**

As of September 30, 2023, 9.1% of the FY 2024 budget was spent as compared to the targeted spending level of 25%. The total budget for FY 2024 is \$539.6 million. The actual spending through the first quarter was \$49.3 million. The first quarter percentage is low because there are outstanding accruals for work completed in FY 2023.

#### ANALYSIS

Seventy-nine of the 83 projects budgeted in FY 2024 were within the acceptable spending limits of 0% to 50% (plus or minus 25% of the 25% target). Due to normal lags in invoicing, generally two months, a plus or minus 25% threshold was determined to be reasonable.

Actual spending through the first quarter for ten projects budgeted for more than \$11 million each in FY 2024 was \$37.4 million. The ten projects are detailed in Attachment A.

#### MEMORANDUM

TO:	MDTA Board
FROM:	Director of Finance Chantelle Green
<b>PREPARED BY:</b>	Director of Revenue Cheryl Lewis-Orr
SUBJECT:	First Quarter Fiscal Year (FY) 2024 Traffic and Revenue Performance
DATE:	December 21, 2023

#### PURPOSE OF MEMORANDUM

To provide the Maryland Transportation Authority Board with a quarterly and year-to-date update regarding traffic and toll revenue trends compared to the previous year and the forecast.

#### KEY TAKEAWAYS

- Passenger vehicle traffic continues to track closely to pre-pandemic levels.
- Commercial vehicle traffic levels continue to outperform pre-pandemic levels.
- For the first quarter FY 2024, there is practically no variance in the forecast vs actuals. Actual traffic and revenue were used in the first three months of the forecast.

#### ANALYSIS

This quarterly review looks at traffic and toll revenue trends and compares actual system-wide experience with traffic and toll revenue forecasts. CDM Smith continues to track and evaluate the performance of traffic at the lane level and traffic and revenue collected on a cash basis.

As shown in the Table above, for the period ended September 30, 2023, year-to-date (YTD) systemwide transactions totaled 42.1 million and corresponding collected revenue totaled \$202.0 million. This represents a decrease of 0.4 million transactions, or 1.0%, compared to the same period last year. YTD revenue increased by \$2.1 million, or 1.1%, compared to the same period last year. The increase is mainly due to administrative revenue.

For the period ended September 30, 2023, there was practically no difference in actuals vs. the forecast. Actual YTD transactions and revenue were used in the forecast.

	Quarterly Update on Major Capital Projects valued over \$40 Million December 21, 2023

#### PURPOSE OF MEMORANDUM

The purpose of the memorandum is to update the MDTA Board on the status of the major projects in the Capital Program.

#### **SUMMARY**

As of December 14, 2023, there are twelve major projects in the Capital Program. Nine of the projects are under construction, one project is in procurement, and two projects are under design. This update includes projects funded for construction in the current CTP and includes six projects valued in excess of \$100 million. There are four projects from the \$1.1 billion I-95 ETL Northbound Expansion program.

### MEMORANDUM

TO: FROM: SUBJECT: DATE: MDTA Board Director of Information Technology David Goldsborough Quarterly Information Technology Update December 21, 2023

#### **PURPOSE OF MEMORANDUM**

The purpose of this memorandum is to provide a quarterly update to the MDTA Board on MDTA's Division of Information Technology (DoIT).

#### **SUMMARY**

As of December 21, 2023, the Division of Information Technology maintains an active portfolio of 21 projects and provides continued support of the third-generation tolling system (3G) program. As a result of the enterprise risk assessment, the first IT audit for the CSC vendor (Transcore) has commenced. This will cover various controls around backup and restore, access controls, etc. DoIT has also completed several recruitments. I would like to welcome Blake Shelton who is our new Maximo Systems Supervisor, and Norman "Chip" Molter who is our Lead Database and Systems Administrator. We are also in the offer process for two (2) Senior Project managers.

DoIT also completed the annual tabletop disaster recovery exercise on November 6, 2023. We are scheduled to perform a live failover exercise in quarter 1 of 2024. The annual financial audit has concluded for DoIT. All deliverables have been forwarded to Clifton Larsen Allen.

PREPARED BY:	Compliance Officer Nicholas Lloyd
SUBJECT:	Quarterly Update: Socioeconomic Programs Status
DATE:	December 21, 2023

#### **PURPOSE OF MEMORANDUM**

The purpose of this memorandum is to provide the Maryland Transportation Authority (MDTA) Board of Directors with an update on the MDTA's progress toward achieving the legislatively mandated socioeconomic program goals.

#### **SUMMARY**

In accordance with Article II of the MDTA Board Operating Policy, as amended on January 25, 2018, this summary has been prepared and distributed. The Division of Civil Rights and Fair Practices (CRFP) is responsible for the development, oversight, and administration of the MDTA's State and federal socioeconomic programs. These programs include the following:

- Disadvantaged Business Enterprise (DBE) Program.
- Minority Business Enterprise (MBE) Program.
- Small Business Reserve (SBR) Program; and
- Veteran-Owned Small Business Enterprise (VSBE) Program.

The following socioeconomic programs' performance information presented is based on Q1 of 2024, which covers the performance period of July 1, 2023 to September 30, 2023<sup>1</sup>. This performance period will be referenced as Q1 FY 2024.

<sup>&</sup>lt;sup>1</sup> The achieved goals reported for the MBE, SBR, and VSBE programs in this document are specific to contract awards and payments. This data does not include Purchasing Credit Card (P-Card) information and may vary from data submitted for the Governor's Office of Small Minority and Women Business Affairs (GOSBA) quarterly reporting.

#### Disadvantaged Business Enterprise (DBE) Program

CRFP is responsible for monitoring the Nice-Middleton Bridge Project's federally funded contracts to ensure compliance with nondiscrimination and affirmative action requirements. The responsibilities include oversight of the Disadvantage Business Enterprise (DBE) Program, the Contractor's Equal Employment Opportunity (EEO)/Workforce Affirmative Action plans, On-the-Job Training (OJT) programs, and Contractor Labor Compliance. The unit also provides management, supervision, and direction to the third-party civil rights compliance monitors assigned to the Project by the General Engineering Consultant for the Nice-Middleton Bridge Replacement Project.

The Nice-Middleton Bridge Project will construct a new 4-lane crossing of US-301 over the Potomac River to replace the existing bridge, which is over 80 years old. The Project also includes minor roadway work on each side of the Potomac River, improvements to the campus infrastructure, and demolition of the existing bridge. The Nice-Middleton Bridge Project is comprised of five (5) contracts that have an estimated value of \$531 million.

The five (5) contracts that are included in Nice-Middleton Bridge Project were identified for federal financial assistance via a Transportation Infrastructure Finance and Innovation Act (TIFIA) loan. DBE firms' utilization is monitored monthly and reported to the Federal Highway Administration (FHWA) semi-annually. DBE firms' utilization is calculated by dividing the total dollars paid to DBE subcontractors by the total dollars expended for this Project.

Table 1 depicts total DBE payments by Contract for the Nice-Middleton Bridge Projects and the newly awarded I-95 Interchange at Belvidere Road through September 30, 2023. Each Contract has a contract-specific DBE goal commitment. Table 1 depicts each Contract's DBE utilization in payments project-to-date.

#### Minority Business Enterprise (MBE) Program

CRFP's Compliance Officers are responsible for monitoring State-funded projects to ensure compliance with Maryland's Minority Business Enterprise (MBE) Program. The MBE Program intends to increase procurement opportunities for socially and economically disadvantaged small business owners within the State contracting marketplace. Maryland's MBE Program requires State agencies to structure their procurements in a manner that allows 29 percent of the agency's total annual expenditures on procurement contracts to be paid directly or indirectly to certified MBE firms as prime contractors or subcontractors.

Table 2 depicts total MBE participation by Contracting Areas for Q1 FY 2024. During this period, MBE firms received \$9.89 million (40.02%) of the \$24.7 million in total contract awards. These amounts represent contract awards in six (6) Procurement Categories: Construction; Architectural & Engineering (A&E); Maintenance; Information Technology (IT); Services; and Supplies and Equipment.

Socioeconomic Programs Status Page Three

Table 3 depicts MBE awards by Minority Business Enterprise (MBE) classification and procurement category for Q1 FY 2024. During this period, African American firms received approximately \$726,000 (2.94%) of the \$24.7 million of Prime contract awards. Asian American firms received \$5 million (20.22%). Women-owned firms received \$4.1 million (16.86%). MBE participation for Q1 FY 2024 is calculated by dividing the total MBE contract award dollars by the total contract award dollars.

#### Small Business Reserve (SBR) Program

The Small Business Reserve (SBR) Program is administered by the Division of Procurement (DOP). CRFP is responsible for reviewing and analyzing State-funded procurements to ensure compliance with Maryland's SBR Program. Maryland's SBR Program provides small businesses with the opportunity to participate as prime contractors on State-funded contracts by establishing a unique marketplace where small businesses compete against other small businesses instead of larger, more established companies. The SBR program is a race and gender-neutral program. Minority status is not a criterion for participation in the SBR Program. (See Md. Code Ann., State Fin. & Proc. Art. §14-501.)

On January 6, 2021, Governor Hogan signed Executive Order 01.01.2021.01 to increase small business participation in State procurements. The Executive Order enhances the SBR Program by directing all procurements between \$50,000 and \$500,000 to the SBR Program unless the procurement meets defined exemptions. The State has established a 15% SBR utilization goal.

The SBR firms' utilization for Q1 FY 2024 is calculated by dividing the total SBR designated payments by the total procurement payments. An SBR-designated payment is a payment made to a vendor for an SBR-designated procurement.

Table 4 depicts Small Business Reserve Program utilization for Q1 FY 2024. SBR-designated firms received \$760,000 (0.31%) of the \$246 million in procurement payments during this period. Non SBR-Designated payments for this quarter were \$2.9 million (1.19%). MDTA's SBR utilization was \$3.7 million (1.52%) for all SBR payments (designated and non-designated).

#### Veteran-Owned Small Business Enterprise (VSBE) Program

CRFP's Compliance Officers are responsible for monitoring State-funded projects to ensure compliance with Maryland's Veteran-Owned Small Business Enterprise (VSBE) Program. The VSBE Program provides contracting opportunities on State-funded procurements for qualified veteran-owned small businesses. In accordance with COMAR 21.11.03.01, each State procurement agency is required to structure its procedures for making procurements to achieve an overall minimum goal of one (1) percent of the unit's total dollar value of all procurement contracts made directly or indirectly with veteran-owned small business enterprises.

Table 5 depicts VSBE contract participation by contracting area for Q1 FY 2024. During this period, VSBE firms received \$6.6 million (26.8%) of the \$24.7 million in contracts awarded by

Socioeconomic Programs Status Page Four

the MDTA during this period. VSBE participation for Q1 FY 2024 is calculated by dividing the total contract award dollars to VSBE firms by all contract awards.

#### Major Initiatives

CRFP has enacted the following strategies focused on outreach, training, and data analysis to achieve its mission of championing socioeconomic programs:

- *PRISM Contract Compliance System:* PRISM is a contract compliance system that supports payment and contract compliance, performance management functionality, and compliance workflow automation for the whole performance management contracting cycle from pre-solicitation to contract closeout. PRISM includes the following capabilities: vendor registration, vendor management, contract management, labor management, outreach management; and dashboard and reporting. The following is an update on the status of PRISM implementation:
  - Production testing completed.
  - Custom reports in development.
  - Vendor training for federal Prime contractors took place in June and July 2023.
  - Federal Prime contractors will receive sign-on information and additional documents in December 2023.
  - DBE subcontractors to receive sign-on information and training documents by January 2024.
  - Federal contracts reporting to PRISM will start in January 2024.
  - Training of State contracts Prime and subcontractors, and Compliance Officers will begin in February 2024.
  - State contracts Prime and subcontractors will start receiving training, sign-on information, and additional documents in February 2024.
  - Prime contractors and MBE/DBE/VSBE subcontractor reporting to PRISM starting in March 2024.
- *In-person Outreach Events:* On March 8, 2023, June 14, 2023 and September 13, 2023, CRFP completed in-person events titled "<u>Doing Business with the MDTA</u>," attended by a combined total of 212 members of the business community. Small and minority businesses were invited to attend a free 4-hour workshop to network with prime contractors, learn about upcoming procurement opportunities and resources to grow their businesses, MBE, DBE, and VSBE program requirements, and their role as prime contractors or subcontractors. Future in-person events are planned for March 21, 2024, June 20, 2024, and September 19, 2024.
- *Training with the Office of Engineering and Construction (OEC):* CRFP coordinated with OEC to host training sessions for MDTA Project Managers and Project Engineers. These training sessions are designed to foster relationships between the CRFP and OEC teams and increase Project Managers' and Project Engineers' awareness and understanding of the MBE, DBE, and VSBE programs and regulatory requirements.

Socioeconomic Programs Status Page Five

Training sessions with Project Managers and Contract Managers in the Construction Unit were completed in December 2022, March 2023, and June 2023.

- During the June 2, 2023, training session, over forty (40) staff were in attendance. The training included information about the importance of accounting for MBE, VSBE, DBE goals and subgoals when a contract's value is increased by way of an Extra Work Authorizations (EWA) or Supplemental Agreement (SA).
- CRFP will be scheduling training with Project Mangers on IT, Service, and Maintenance contracts in January 2024.
- *Credit card purchases made with MBE, DBE, VSBE, and SBR vendors:* CRFP is working with the Purchasing Card Program Administrator and the IT Solutions Administrator to develop a way to automatically identify, and track credit card transactions made with MBE, DBE, VSBE, and SBR vendors in the purchasing card system. This option would make compiling and reporting this data more manageable and efficient. This functionality within the purchasing card system would also help CRFP to identify the frequency with which cardholders make purchases using MBE, DBE, VSBE, and SBR vendors thereby uncovering opportunities for additional training or recognition. CRFP is also working with the DOP to update the "Strive for Five" form to include a reference to MBE and VSBE vendors.
  - Civil Rights and Fair Practices had several meetings with Finance, Procurement, and IT to discuss implementing an interface to the P-Card system from MDOT's MBE Directory and eMaryland Marketplace Advantage (eMMA) that would enable our P-Card system to identify MBEs/VSBE that are utilized on credit card purchases. The P-Card form (Strive for Five) will be updated to remind P-Card users to look for DBEs/MBEs/VSBEs/SBRs that can be utilized when making purchases. We have also met with the Division of Communications (DOC) to have our Small Procurement Training Sessions recorded to have available for MDTA Staff.
  - CRFP and IT had a Project initiation meeting on August 23<sup>rd</sup> to discuss the interface between eMaryland Marketplace Advantage (eMMA) and MDTA's Maximo System to identify MBE/VSBE/SBR firms on credit card purchases.
- *Identifying additional opportunities for MBE/DBE/VSBE participation:* Evaluating the extra work authorization (EWA) and supplemental agreement (SA) process to ensure maximization of goal attainment is considered with all additional work. We are working internally with our Office of Engineering and Construction to identify these opportunities. In addition, we are reviewing the feasibility of expanding third tier subcontracting more broadly and reducing the standard requirement that Primes self-perform 50% of the contract. Lastly, reviewing our task order/open end contracts to see if we can repackage tasks into contracts with more defined items of work that have greater likelihood of achieving the contract goals.
- *Outstanding MBE/DBE/VSBE Subcontracting Partner Award*: The MDTA is developing the Outstanding Subcontracting Partner award as an annual recognition of

Socioeconomic Programs Status Page Six

completed projects with subcontracting goals (or subgoals, if applicable) that achieve the highest MBE, DBE, or VSBE participation. The main purpose of this award is to celebrate success, share lessons learned of best practices, and honor all project stakeholders. This award is for the successful use of certified MBE, DBE, or VSBE firms on an MDTA construction, architectural/engineering, information technology, or service/maintenance project. See Table 6 of Corrective Strategies for meeting DBE/MBE/SBR goals.

## Table 6: Corrective Strategies

Corrective Strategies for Meeting Goals								
Goal Category	Goal Percentage	Reason for Not Meeting Goal	Strategy to Address Issue	Positive Outcome of Implementing Strategy				
DBE A/E Contracts (AE-3050 and AE- 3051)	26%	Prime had challenges with identifying willing and available staff because of project location.	Working with OEC to see if other MDTA work can be completed using these contracts.	Increase goal attainment on contract.				
MBE Awards	29%	Sole source and single element of work contracts with no MBE goal. On-call and specialized requirements	Educating/working closely with OEC to look at all possible subcontracting opportunities. Working with DBEs/MBEs/VSBEs to become Certified/Registered on eMMA/keep profiles updated/ expansion of services.	Better able to identify subcontracting opportunities which would increase the goal. On-going monitoring to determine impact to overall goal. Increased knowledge of program participation and availability.				
SBR	15%	Outreach efforts. Current iFMIS database doesn't track SBR information eMMA SBR profiles are missing pertinent information (i.e., email addresses) SBR's respond that they are interested in bidding and meet the qualifications to be a Prime, but they don't bid.	Implementing new Compliance System – PRISM. CRFP Quarterly Outreach events – inform vendors on programs, requirements, register on eMMA and keep profiles updated to increase the pool of potential SBR Primes	Ongoing tracking to determine increase in SBR bidders and SBR awards.
