

I-95 ETL NORTHBOUND EXTENSION

MD 24/MD 924 Park and Ride Is Open!

As part of the Maryland Transportation Authority's (MDTA) \$1.1 billion program to relieve congestion and improve travel along the I-95 corridor into Harford County, the MDTA has opened the new Park and Ride lot at the intersection of MD 924 and Woodsdale Road, adjacent to the I-95 interchange at MD 24/MD 924 in the Abingdon area of Harford County.

This Park and Ride location provides an alternate site for Park and Ride customers in Harford County. The MDTA encourages users of the MD 152 Park and Ride lot to begin utilizing this new facility. The MD 152 Park and Ride lot will close in late 2021 when reconstruction of the I-95/MD 152 interchange begins. This Park and Ride will serve the existing MD 152 Park and Ride customers until a new Park and Ride at MD 152 is constructed in the future.

For I-95 Northbound and Southbound Traffic, take Exit 77B to the signal at MD 924, Emmorton Road/Tollgate Road. Take a right turn onto Md 924/Emmorton Road and the entrance to the Park and Ride is on your right. This is a right-in and right-out access. Full access to the Park and Ride is provided from Woodsdale Road.

For MD 24 Southbound Traffic, take the exit for MD 924/ Emmorton Road/Tollgate Road to the signal and make a left turn onto MD 924/Emmorton Road. Stay right and go straight through the next signal. The entrance to the Park and Ride is on your right just past the signal. This is a right-in and right-out access. Full access to the Park and Ride is provided from Woodsdale Road.

Park and Ride lot at the intersection of MD 924 and Woodsdale Road, adjacent to the I-95 interchange at MD 24/MD 924 in the Abingdon area of Harford County.

For MD 924 Southbound Traffic, take MD 924 to the signalized intersection with Woodsdale Road. Make a left turn onto Woodsdale Road. Go through the roundabout to the Park and Ride entrance on your right.
