

CLOSURES/TRAFFIC PATTERN CHANGES ON I-695 AT SPARROWS POINT NEAR BEAR CREEK

Project Update!

New Traffic Pattern - January 2025

- Beginning January 6, weather permitting, the entrance ramp from Bethlehem Boulevard to the I-695 Outer Loop will be closed.
- I-695 Outer Loop through traffic must exit onto MD 158/Bethlehem Boulevard and return to the Outer Loop at the North Point Boulevard on-ramp.
- A portion of the southeast I-695 Outer Loop remains closed beginning at Exit 43.
- Access to I-695 Outer Loop from Broening Highway remains open via existing turnaround; there is no stopping or parking along the loop road.

The Maryland Transportation Authority is continuously evaluating roadway conditions as the project progresses. Major updates will be posted on the [project website](#). For Key Bridge news, visit the [Key Bridge Updates page](#). Sign up for email alerts at mdta.maryland.gov.

Toll Dollars At Work: Crews will be performing essential roadwork as part of the Maryland Transportation Authority's (MDTA) I-695 at Sparrows Point near Bear Creek project to address and prevent future settlement of I-695 and to enhance the safety of I-695 in this area.
