

CLOSURES/TRAFFIC PATTERN CHANGES ON I-695 AT SPARROWS POINT NEAR BEAR CREEK

Project Update! New Traffic Pattern Effective Mid-April

- All traffic on I-695 Inner Loop must exit at Exit 42 (MD 151/North Point Blvd.)
- Traffic bound for I-695 Outer Loop will take Eastbound MD 158 (Bethlehem Blvd.) to the on-ramp to the Outer Loop.
- Traffic exiting the I-695 Inner Loop wishing to return to the I-695 Outer Loop should follow Exit 42 towards MD 151 (North Point Blvd.) north to Cove Road.
- Follow posted detours.
- Expect one travel lane on the Outer Loop from MD 158 (Bethlehem Blvd.) to the MD 151 (North Point Blvd.) overpass.

The Maryland Transportation Authority is continuously evaluating roadway conditions as the project progresses. Major updates will be posted on the [project website](#). For Key Bridge news, visit the [Key Bridge Updates page](#). Sign up for email alerts at mdta.maryland.gov.

Toll Dollars At Work: Crews will be performing essential roadwork as part of the Maryland Transportation Authority's (MDTA) I-695 at Sparrows Point near Bear Creek project to address and prevent future settlement of I-695 and to enhance the safety of I-695 in this area.
