

Overview

- ▶ The Maryland Transportation Authority (MDTA), in coordination with the Federal Highway Administration (FHWA), is conducting a NEPA study to identify potential improvements to Interstate 95 (I-95), Belvidere Road and other nearby transportation facilities between MD 272 and MD 222 in Cecil County, MD.
- ▶ The study area is within proximity of major Mid-Atlantic metropolitan areas such as Baltimore, Philadelphia and New York.
- ▶ I-95 is a major transportation corridor supporting local and regional traffic.
