

# Alternatives Retained for Detail Study

## ▶ Alternative 1: No-Build

- ▶ This alternative is carried forward as a baseline condition comparison. As part of the No-Build Alternative, short-term minor reconstruction, such as safety upgrading and maintenance.

## ▶ Alternative 4D Option 1: Modified Partial Cloverleaf Interchange

- ▶ This alternative offers one of the best operational benefits compared to the full range of proposed alternatives and results in the lowest level of environmental impacts.
