## Interstate 95 and MD 24 Interchange – Accessible Description

**Note:** This page provides a text alternative for the aerial rendering of the I-95 and MD 24 interchange. It is intended to be read in conjunction with, or in place of, the rendering for users who are unable to access the visual content.

### Overview

The image is an aerial conceptual rendering of the interchange between Interstate 95 (I-95) and Maryland Route 24 (MD 24). Interstate 95 runs generally north–south through the center of the image, while MD 24 runs east–west crossing above I-95 at a grade-separated interchange. The rendering illustrates existing and proposed ramps, flyovers, and directional connector roadways with labeled traffic movements.

### Main Roadways

- **Interstate 95 (I-95):** A divided, multi-lane freeway running north–south through the interchange.
- **Maryland Route 24 (MD 24):** A divided east–west roadway crossing above Interstate 95.

### Labeled Ramps and Traffic Movements

- **NB MD 24 to MD 924:** Ramp serving northbound MD 24 traffic to MD 924.
- **SB MD 24 to SB I-95:** Ramp connecting southbound MD 24 traffic to southbound I-95.
- **NB I-95 to NB MD 24:** Ramp serving northbound I-95 traffic to northbound MD 24.
- **NB I-95 to MD 924:** Ramp serving northbound I-95 traffic to MD 924.
- **SB I-95 to MD 924:** Ramp connecting southbound I-95 to MD 924.
- **SB I-95 to NB / SB MD 24:** Ramp providing access from southbound I-95 to both directions of MD 24.
- **NB MD 24 to SB I-95:** Ramp connecting northbound MD 24 traffic to southbound I-95.
- **NB / SB MD 24 to NB I-95:** Ramps providing access from both directions of MD 24 to northbound I-95.
- **I-95 NB to SB MD 24:** Ramp connecting northbound I-95 to southbound MD 24.
- **NB I-95 to NB MD 24 AND MD 924:** Connector serving northbound I-95 traffic to both MD 24 and MD 924.
- **NB I-95 ETL to MD 24:** Ramp connecting northbound I-95 express toll lanes to MD 24.
- **NB / SB MD 24 to SB I-95 ETL (Future):** A future connector providing access from MD 24 to southbound I-95 express toll lanes.
- **NB / SB MD 24 to NB I-95:** Ramp connecting northbound and southbound MD 24 traffic to northbound I-95.

### Additional Context

Flyover ramps and loop ramps are shown within the interchange quadrants to accommodate directional movements. Directional labels indicate northbound and southbound travel. Interstate and route shields for I-95 and MD 24 are shown adjacent to their respective roadways. Surrounding landscaped areas, local roads, and nearby development are included for context.
