

I-95 AT BELVIDERE ROAD | TRANSPORTATION IMPROVEMENT STUDY

INFORMATIONAL PUBLIC OPEN HOUSE

The Maryland Transportation Authority (MDTA) in coordination with the Federal Highway Administration (FHWA) is studying potential improvements to I-95, Belvidere Road and other nearby transportation facilities in western Cecil County. These improvements would support existing and future development in Cecil County's Principio Enterprise Zone.

For additional information, you are invited to attend a Public Open House on Tuesday, July 31, from 5-8 p.m. The meeting is being held in accordance with the National Environmental Policy Act (NEPA) to inform the public of:

- The study area
- Existing environmental, cultural and social resources
- Land use
- Economic plans

Comments are encouraged from attendees to help inform the NEPA process of determining existing conditions and in developing potential transportation solutions. The open house also provides an opportunity for public comment regarding historic properties consistent with Section 106 of the National Historic Preservation Act. Maps and displays will be available for review. MDTA representatives will be available to answer project-related questions and to receive public comments. **There will be no formal presentation. You may arrive at any time during meeting hours and walk through the display area at your own pace.**

SCHEDULE

This project is funded for planning only.

Public Open House
July 31, 2018

Alternates Public Workshop
Late Summer/Early Fall 2018

NEPA Document
Fall 2018 / Winter 2019
