

Overnight deck work beginning Spring 2024

BAY BRIDGE EASTBOUND DECK REPLACEMENT PROJECT

Work will be done during off-peak & overnight hours.

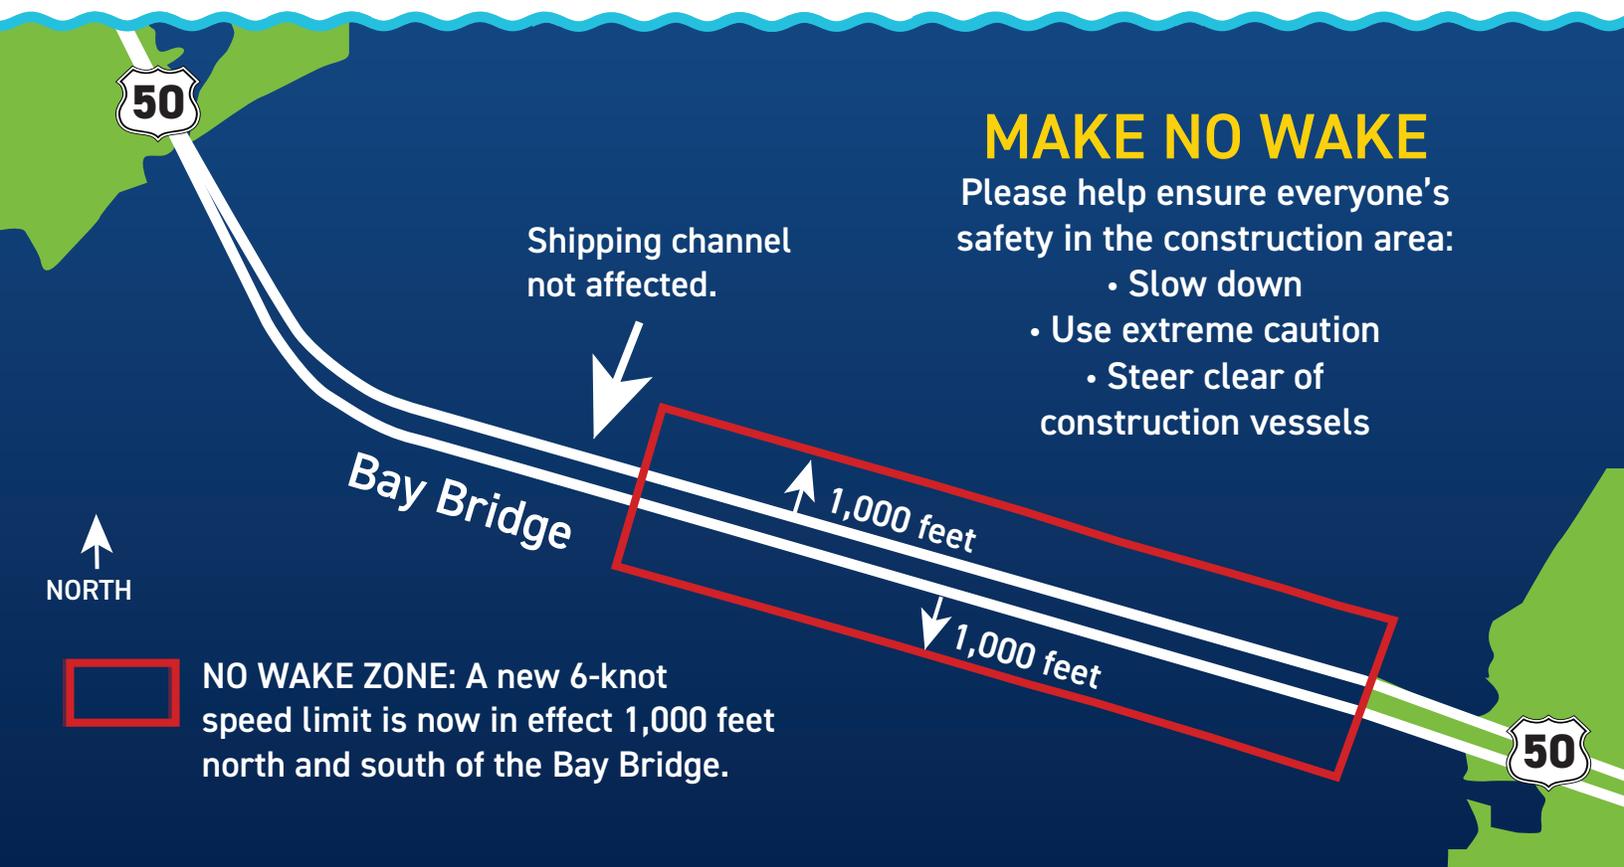

ATTENTION WATERWAY USERS AROUND THE BAY BRIDGE

PLEASE SLOW DOWN FOR SAFETY

6-knot speed limit now being enforced

Wakes created by speeding boats can create major hazards for bridge operations and workers. Calm waters are essential to keeping workers and other waterway users safe.

MAKE NO WAKE

Please help ensure everyone's safety in the construction area:

- Slow down
- Use extreme caution
- Steer clear of construction vessels

NO WAKE ZONE: A new 6-knot speed limit is now in effect 1,000 feet north and south of the Bay Bridge.
