

I-895 AT FRANKFURST AVENUE INTERCHANGE IMPROVEMENTS PROJECT

DRIVERS UPDATE

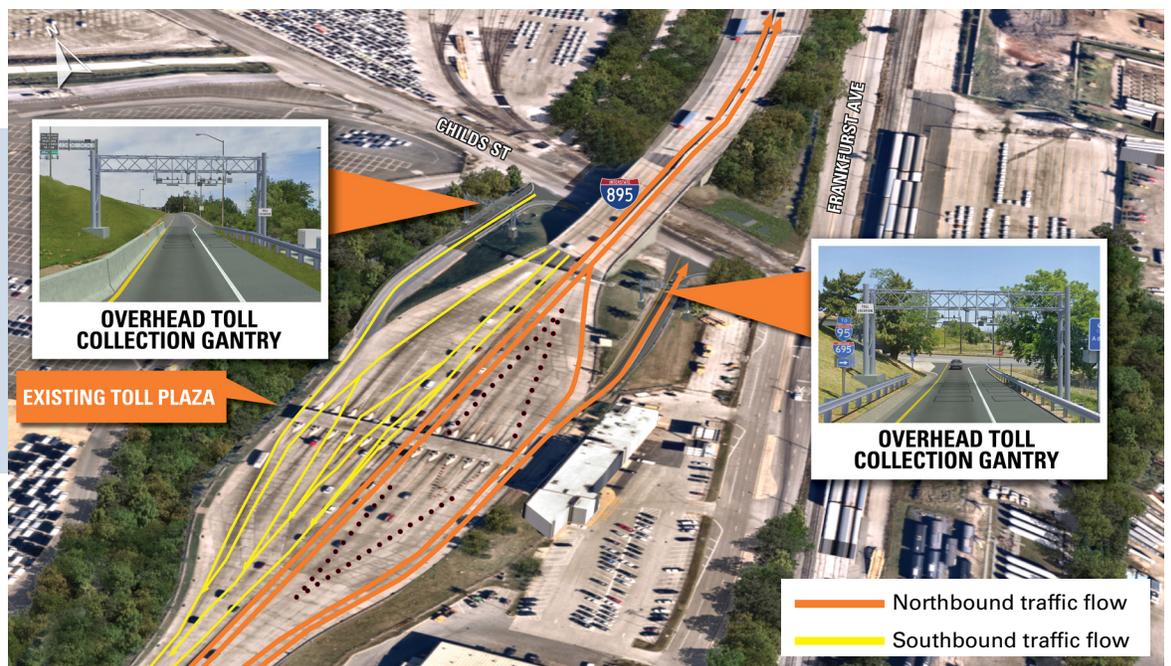

Overhead Toll Collection Gantry - North of Harbor Tunnel

Starting **October 23, 2025**, tolls on I-895 will be collected via NEW overhead electronic toll gantries located north of the Baltimore Harbor Tunnel and on the Childs Street ramps. The existing toll plaza on I-895 will be removed after the new Francis Scott Key Bridge is open to traffic.

- Tolling remains in effect.
- Motorists must obey posted speed limits and adhere to overhead lane signals.
- All I-895 lanes to remain open.

- Always properly mount your *E-ZPass* transponder and keep your account up to date to receive the lowest toll rates. **Learn more at driveezmd.com.**
